

EFFORT AWARD CERTIFICATES

See Effort Award Template on the next slide.

Effort Award badges (and Effort Shares) are sent to the Student Portals of students selected for recognition via the *Recognition* category of the Teacher Scoring App.

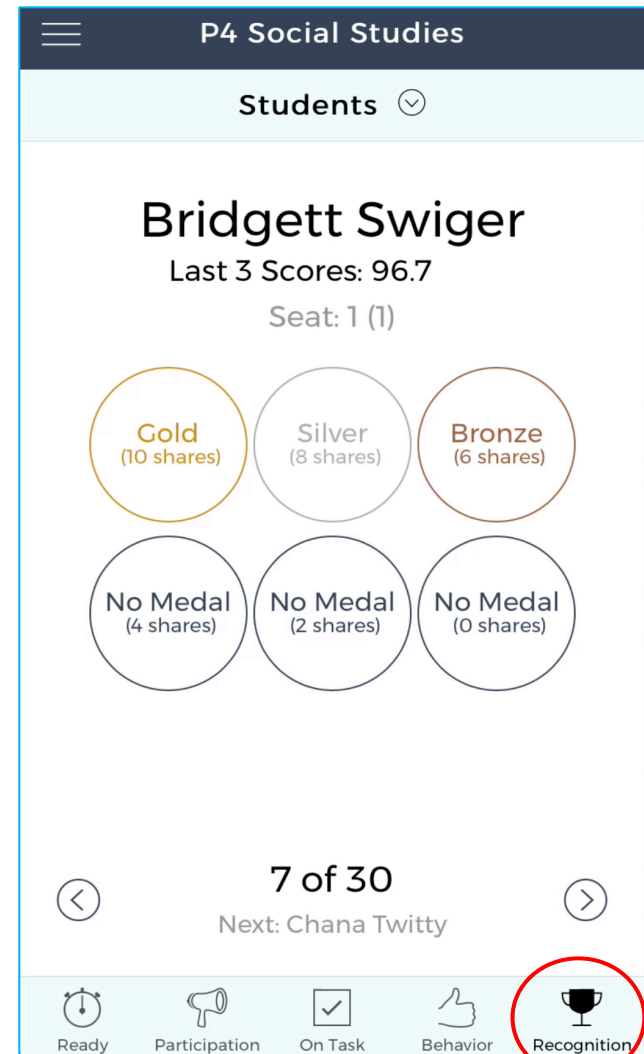

If your school already has a ticket system for positive behavior you may want to also give out your school's ticket to every student who is selected for *Recognition*.

If your school is not using a ticket system, consider giving out a paper **Effort Award Certificate** to each student who is selected for *Recognition*.

For more information see the Recognition article under the Teacher Help tab or go to:

<https://e4effort.com/support/recognition/>
